

Sales & Value Creation

BVCM-01

Workshop Description

Consider the following scenarios:

- Do you like to be able to create opportunities for your products / services?
- Do you wish to differentiate your product/services from your competitors and sell it at a premium?
- Do you have difficulty articulating the value of your products/services to your customers?

If your answer is YES to the above questions, then this workshop is for you.

Workshop Objectives

At the end of the workshop, you will be able to:

- Recognize and create opportunities that can be turned into sales.
- Evaluation opportunities, aligned with your strengths and uniqueness.
- Communicate your products and services benefits and features to potential customers.
- Pursue leads to close deals systematically and efficiently.
- Understand your customers' Most Urgent and Most Important Needs (MUMIN ©).
- Understand the Value Chain throughout your products and services eco-systems and how the various parties value-add to each other.
- Create the values that your customers really wanted and the services that are not there yet but are needed by your customers.

Intended Audience

Entrepreneurs, Business Owners, Sales Account Managers, Business Managers, Business Development Managers, Services Sales Managers, Pre-Sales Support Managers, Marketing Managers and Product Managers.

- VALUE Selling TOOLKIT Game

The VALUE

The VALUE Selling Toolkit Game

This is an exciting and fun game where the participants will be divided into 2 groups: Company Directors and Sellers. Played two rounds, the Sellers will apply their lessons taught to understand the customer's problem better, to quantify them and finally to sell the VALUE of their solutions to the customer at a premium price.

Workshop Methodology

This dynamic workshop will be conducted with a good blend of instruction, discussions and simulation games. Participants are encouraged to bring a product/service to the class to create opportunities and value surrounding it.

Workshop Duration

2 Days
